

Notice of Participation at a Commission Meeting

August 10, 2015

Ref. 2015-M-03

Annual Regulatory Oversight Report on the Use of Nuclear Substances in Canada: 2014

The Canadian Nuclear Safety Commission (CNSC) will hold a meeting on September 30 and October 1, 2015, during which CNSC staff will present the *Annual Regulatory Oversight Report on the Use of Nuclear Substances in Canada: 2014* (Nuclear Substances Report). This regulatory oversight report provides information on the regulatory compliance of industries using nuclear substances in Canada during 2014. This meeting will update the Commission on the performance of licence holders as well as the radiation doses received by workers in these industries.

Meeting dates: September 30 and October 1, 2015
Place: CNSC public hearing room, 14th floor, 280 Slater Street, Ottawa
Time: As set by the agenda published prior to the meeting date

The public is invited to comment, in writing, on this meeting item. Submissions must be filed with the Commission Secretary by August 31, 2015, either online – at nuclearsafety.gc.ca/eng/the-commission/intervention – or at the coordinates below. Please include your name, address and telephone number. You may submit your personal information on a separate page to ensure its confidentiality. It should be noted that all submissions are available to the public upon request to the Secretariat.

The [Nuclear Substances Report is available online](#) or by sending a request through the Secretariat at the coordinates below. The agenda for the meeting will be available after September 23, 2015 on the CNSC [website](#).
